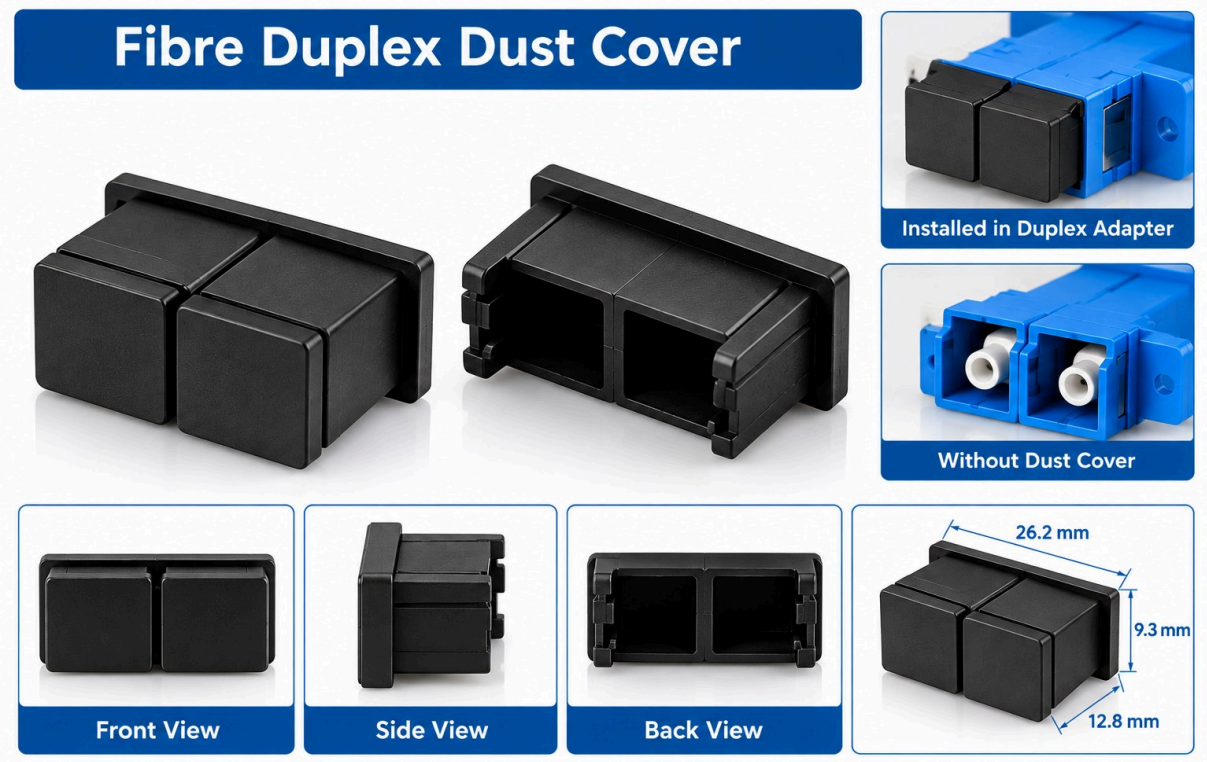
Fibre Duplex Dust Cover

SC Duplex | Plastic | Black | Dust Protection



ONE-PIECE SC DUPLEX COVER · 26.2 × 9.3 × 12.8 MM · FITS SC DUPLEX ADAPTERS

iSHCO SC duplex dust covers protect unused adapter ports on patch panels, ODFs and terminal boxes from **dust, moisture and accidental contact**. The one-piece plastic cover plugs into both ports of an SC duplex adapter.

Made from durable black ABS with snap-fit retention, the cover is easily removed by hand and can be reused indefinitely. Keeping ports covered preserves end-face cleanliness and low insertion loss.

SC Duplex | ABS | Snap-fit | Reusable

Features & Benefits

01

- Protects SC duplex adapter ports from dust and contamination
- Snap-fit retention – secure but easy to remove
- Also protects laser output ports from accidental exposure
- Dimensions 26.2 × 9.3 × 12.8 mm
- RoHS compliant
- One-piece design covers both ports of a duplex adapter
- Durable black ABS plastic, reusable
- Compatible with SC/UPC and SC/APC duplex adapters
- Also available: SC simplex, LC duplex, FC and ST dust caps
